

Multimedia Resource Guide

By: Susan Meece

These are a few resources I have found to be useful when creating multimedia projects.

Program Tutorials

1. [iTunes](#)
2. [iMovies](#)
3. [Garageband](#)
4. [Photoshop](#)
5. [Powerpoint](#)

Technology Integration in the Classroom

1. [Inspiration](#) – provides visual learning tools, including graphic organizers
2. [Internet4classrooms](#) – provides technology and curriculum links for teachers
3. [Webmonkey](#) – a guide for creating websites
4. [Educationworld](#) – technology integration (including ePortfolios) and professional development

5. [Integrating Technology in the Classroom](#) – provides helpful links for teachers

6. [About.com](#) – directly links you to curriculum and technology integration information for secondary education teachers
<http://712educators.about.com/>

7. [Webquest](#) – a site designed to help teachers create Webquests

8. [Dr. Christie's website](#) – with everything you need to integrate technology in the classroom.

Curriculum on the Internet

1. [Asset](#) – ASU's site for teachers. It includes unitedstreaming, but you must be a member to sign in.

2. [BBC](#) – information, pictures, and videos
<http://www.bbcmotiongallery.com/Custom/index.aspx>

3. [The NY Times](#)
